Customers will be able to set up an on-line account in order to book online. It literally only takes a few minutes to set up the account online, and the customer can do this online or it can be done at either ticket office.

Got to www.fiferry.com and look for the **Sign Up Today** in the upper left hand corner or Login located in upper right hand side of the screen.

The screenshot shows the homepage of the Fishers Island Ferry District website. At the top, there is a blue navigation bar with the text "Contact Sign Up Today!". Below this is a white header area with the "Fishers Island Ferry District" logo in a serif font. To the left of the logo is an upward-pointing arrow, and to the right is a downward-pointing arrow. Below the header is a horizontal menu with the following items: HOME, RESERVATIONS, SCHEDULES, CONTACT US, FERRY OPERATIONS, DISTRICT OPERATIONS, and LOGIN. Below the menu is a large banner image featuring a ferry boat on the left and a red life preserver with "FIFERRY" written on it on the right. Below the banner is the "FIFD Mission Statement" section, which contains three paragraphs of text. To the right of the mission statement is a "Reserve or Change online by clicking below" button labeled "BOOK or CHANGE Travel". Below that is a "Visit and Like our Facebook Page" button with the Facebook logo and the text "LIKE US ON facebook". Below that is a "Weather on Fishers Island" button. At the bottom right, there is a "Reservations at the Fishers Island Terminal" button with the date "October 1 - May 14".
