3. **Multiple Non-Resident Owners of the Same Real Property.** Where there are multiple Non-Resident owners holding title to the same Qualified Property (whether as tenants in common, joint tenants or otherwise), the “property” shall be entitled to one vote only. Unless special arrangements are made in advance of the election to designate an individual owner entitled to vote (“Special Arrangements,” see below) the District will honor the vote cast by the first owner for that Qualified Property appearing on the most recent records from the town of Southold Tax Assessor. Co-owners (including spouses) who present themselves to vote in respect of that same Qualified Property subsequent to the first voting owner shall not be allowed to vote.

Requirement. Must be listed as one of multiple owners of real property on the most recent records from the Town of Southold Tax Assessors. If multiple owners wish to designate a specific Non-Resident Owner to vote, then they must make Special Arrangements in advance of the election date as outlined below.

4. **Ownership by Entity.** Where a Qualified Property is held by a commonly recognized entity such as a corporation, trust, LLC or partnership (“Entity”) the Entity shall be entitled to designate one representative to cast one vote for all Qualified Properties held by such Entity by executing the Affirmation in advance of the election. Each Entity shall be entitled to only one vote through its designated representative.

(i) Entity must be listed as the owner on the most recent records of the Town of Southold Tax Assessor; and (ii) representative must be designated in a written instrument duly adopted by the entity in accordance with the governing documents of said entity, and submitted in accordance with the instructions set forth under Special Arrangements, below.

5. **Residents Who Also Own a Qualified Property.** Residents who are also owners of one or more Qualified Property[ies] shall be entitled to one vote only, unless they are also voting as a designated representative of an Entity holding title to Qualified Property.
6. **Residents or Non-Residents Who Own Multiple Properties.** Residents or Non-Residents who own multiple properties shall be entitled to one vote only, despite the number of properties owned, unless they are voting once in their individual capacity and another time or times in a representative capacity on behalf of one or more Entities, in accordance with the rules governing voting by entities.
7. **Other Circumstances.** The foregoing rules have been adopted to try to anticipate the largest number of potential voting situations. If an individual presents himself or herself to vote claiming eligibility as a resident, property owner or authorized representative of an entity owning property on Fishers Island and does not fall within one of the categories set forth in paragraphs 1 through 6, the individual shall be permitted to complete a ballot and place it in a sealed envelope marked “challenged”. The election inspectors shall examine the individual’s eligibility to vote and, if the individual is deemed eligible, the envelope will be opened and the vote will be counted. The election inspectors shall make the final determination regarding the individual’s eligibility to vote.
